

Dear Sir/Madam

### **Fundraising In Aid Of Carr Gomm**

Thank you for supporting the CG 100 campaign; raising £50,000 to help end social isolation and loneliness. This letter confirms that the person presenting it to you is fundraising in aid of Carr Gomm.

Social isolation is a huge issue. It is crippling large parts of our society, with nearly one third of the population being affected by it at some point in their lives. We all know that loneliness affects older people, who find it harder to get out and about, but did you know that an incredible 80% of under 18s have also reported feeling lonely?

Despite, and sometimes because of, social media, it seems the people of Britain are finding themselves more lonely and isolated than ever before. In fact, Britain is the loneliness capital of Europe; it is an issue for us all.

It's time for change!

The money you help to raise will fund Carr Gomm's innovative projects which are having a huge impact in communities across Scotland. These initiatives support people to learn new skills, make friends and become an integral part of their community.
